#### **PeterLynn Ltd Statement - REACH Regulation EC 1907/2006**

Thank you for your recent enquiry regarding the registration of PeterLynn's products with the REACH Regulation EC 1907/2006.

#### **Self-adhesive labels and thermal transfer ribbons**

Our current understanding is that the self-adhesive labels and thermal transfer ribbons supplied by PeterLynn are finished products classified as "Articles that are not intended to release substances" according to definition under REACH regulations. It is not a requirement for PeterLynn Ltd to pre-register or register these items.

#### **Upstream Suppliers**

We are in regular contact with our suppliers to ensure that, where necessary, all substances used in the manufacture of the products supplied to PeterLynn Ltd will be pre-registered or registered by them in accordance with the requirements of the REACH timeline to ensure continuity in supply.

#### **Substances of Very High Concern (SVHC)**

The products supplied by PeterLynn Ltd are made from materials that are free of the substances on the SVHC candidate list published 28/10/2008.

This statement is based on currently available information from our suppliers. However, this statement does not constitute any warranty, express or implied.

Yours sincerely

Peter Lindsay
